Letter from the President

Dear Willow Park Green neighbors,

How hot will it get? This question was asked in the June newsletter and we still do not know. Please be reminded to keep your yard and flower beds watered.

Make sure to give our entrance sign a look when driving in – it has been cleaned and the gold letters repainted. The small sign on the west side has also been cleaned and painted as well.

We continue to gather homeowner contact information but still do not have all of them – if your neighbor happens to mention not getting e-mail notices, please ask them to provide their contact information to the HOA e-mail.

The street parking concern stated in June has been corrected – thank you for being aware of the situation and responding accordingly.

Charles W. Bush

With the current drought conditions, please be mindful of heavy trimming to trees & shrubs which can cause undue stress on the plants – generally the Fall and Winter are the best times for heavy pruning.
