Letter from the President

Dear Willow Park Green neighbors,

Fall has arrived even though we can't tell it – very little change in our temps.

There are two events coming up in October – a WPG – Yard Sale and a WPG Block Party. Halloween costumes will be welcome at the Block Party – children and adults.

With Halloween the very next evening – Monday, October 31st, let's be ready with those treats for those little ghost and goblins making the rounds.

Arrangements are being finalized with Centerpoint Energy to repaint our light poles black to match our recently installed street sign poles – and best of all it will be done free.

DID YOU KNOW?

Per the Willow Park Greens CCR's – Since AT&T has been boring for the installation of new cables in the neighborhood – Article VII-section 7.2 deals with utility easements & AT&T should have stayed within the limits of these easements. If you think otherwise it can be reported.
